13. Boredom Busters <https://youtu.be/3uGNYz3evGo>

This video is for people with learning disabilities to give lots of ideas of things that they can do to fill their day whilst day and leisure activities are closed. It may help to also watch the video 'How Do I Plan My Day' to think about how to put these activities into a daily or weekly schedule. Our Occupational Therapy newsletter contains ideas for new activities each week. To request a copy of this please email Sarah Hewes at sarah.hewes@sabp.nhs.uk

14. How Do I Plan My Day <https://youtu.be/1AbwesOeUIU>

This video is for people with learning disabilities to give ideas on how to plan their time whilst day and leisure activities are closed. It will help the person to develop either a daily or weekly schedule using the suggestions shown in the 'Boredom Busters' video. A template for a timetable and further activity ideas can be found in the OT newsletter. To request a copy of this please email Sarah Hewes at sarah.hewes@sabp.nhs.uk

15. Explaining the New Normal for People with Learning Disabilities <https://youtu.be/Tg2en7PD-Q8>

This video is for people with learning disabilities to help understand the changes that are happening in the community because of coronavirus like social distancing, wearing gloves and face masks, getting swab tests, and social isolation. It may also help to watch the videos "Explaining Social Distancing for People with Learning Disabilities", "I Think I Have Coronavirus", "Getting a Swab Test", and "How Shops are Different".

16. How Shops are different https://youtu.be/mQitAw_uF_0

This video is for people with learning disabilities to help understand how shops will be different because of the coronavirus. It may help to also watch the video "Explaining the New Normal for People with Learning Disabilities" to find out what other things may be different.

17. Having a Swab Test Taken https://youtu.be/iEGnsy_ABJo

This video is for people with learning disabilities to help them understand what happens when they are asked to have a swab test for coronavirus. It shows how a swab test is undertaken.

18. Wearing Masks <https://youtu.be/l8PBRqITN5A>

This video is for people with learning disabilities to help them understand about wearing face masks.

19. Managing Feelings after somebody has died https://youtu.be/RqnmX8q_Qsk

This video is for people with learning disabilities to help them understand and manage their feelings after somebody has died. It helps to explain what you may be feeling and things that you can do to help manage your feelings.
