Annwyl Syr/Madam/Dear Sir/Madam,

**BWRIAD/PROPOSAL: Focussed Changes**

**LLEOLIAD/LOCATION: Pembrokeshire County Council**

Thank you for consulting Cyfoeth Naturiol Cymru (CNC)/Natural Resources Wales (NRW) about the above, which we received on 04 August 2025.

We understand you are now considering the implications of the NRW's updated conservation (Regulation 37) advice and condition assessments for marine protected areas, which were published on the 25th June 2025. Furthermore, we understand from an email from Martina Dunne to us on 10th September that you are currently preparing a Position Statement for PEDW and the implications for LDP 2, and that part of that will be to consider the implications for the Habitats Regulations Assessment of the Plan. We are due to meet with you on the 24<sup>th</sup> September 2025 to discuss this in more detail. As such, we have no comments to make in respect of the current consultation and will await submission of your draft Position Statement.

If you have any queries on the above, please do not hesitate to contact us.

Yn gywir / Yours faithfully
