## M

Describe the steps you intend to take to promote the four licensing objectives:

**a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)**

The premises will be used solely for the secure storage and dispatch of goods, including a small quantity of sold alcohol on behalf of clients who sell online. There will be no sales or consumption of alcohol on the premises, and no public access at any time.

**b) The prevention of crime and disorder**

The premises will be used only for the storage and fulfilment of online alcohol sales delivery.  
No sales or collections by members of the public will take place at premises. Access to the premises will be strictly limited to authorised staff, delivery drivers, couriers, or persons in connection with business by prior arrangements. Alcohol will be stored in sealed containers and kept in a dedicated locked room within the secure warehouse.  
The premises address will not be publicised as a retail or collection location. A record of deliveries and stock movement will be maintained to ensure full traceability and accountability.  
The premises will be secured with CCTV coverage, intruder alarms, and locked storage room for alcohol.  
CCTV system installed inside and outside premises.  
The system must incorporate a means of transferring images from the hard drive to a format that can be played back on any Windows compatible computer.  
The system must be capable of recording and retaining at least thirty-one days of images before over-recording.  
Recording equipment must record date and time information as part of the image file, and the date/time must be accurate.  
There must be a competent person present on the premises capable of replaying and exporting recordings electronically and quickly to the licensing authority or to a responsible authority immediately.  
The system must be registered with the Information Commissioner.  
Incident register will be maintained.

**c) Public safety**

No members of the public will visit or collect goods from the premises.  
Alcohol storage will be in a restricted-access area with appropriate fire detection and suppression equipment installed nearby.  
Fire extinguishers and first aid kits are located throughout the building, and all staff are trained in their use.  
All storage and handling procedures comply with health and safety regulations to prevent accidents or hazards.  
Deliveries and collections by couriers will be scheduled and managed to avoid congestion and ensure safe vehicle movements  
Telephone on premises for use in an emergency.  
First aid kit on premises.

**d) The prevention of public nuisance**

The business operates on a strict delivery schedule, with no outgoing deliveries after 1800 hours on any day.  
Operations are managed to minimise disturbance to the public and ensure compliance with all licensing objectives.  
No public events or entertainment will take place at the premises.  
All alcohol will be distributed in sealed containers for off-premises consumption only.  
No public access or walk-in sales will occur, minimising noise and disturbance to neighbouring properties.  
All waste materials will be disposed of responsibly and recycling procedures will be followed to minimise environmental impact.  
Premises double glazed.  
Operation is managed to minimise disturbance to the public and will only operate at the premises between 0600 hours and 2200 hours.  
There are no dwellinghouses in the immediate vicinity.

**e) The protection of children from harm**

All alcohol sales will be conducted online by the licence holder's client(s), with payment and age verification managed electronically.  
The client's website will feature clear age verification and warning notices stating that sales are restricted to those aged eighteen and over.  
Delivery drivers and couriers will be required to operate a Challenge 25 policy, requesting valid identification in the form of a passport or driving licence if the person being delivered to appears under the age of twenty-five years. If neither document is produced no delivery will be made, and the alcohol will be returned to premises.  
As there is no public access, no children will be present on site at any time.  
All staff involved in handling or dispatching alcohol will receive training on the Licensing Act 2003, particularly around the prevention of underage sales, delivery, and the responsible storage and distribution of alcohol.

- 15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or

- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

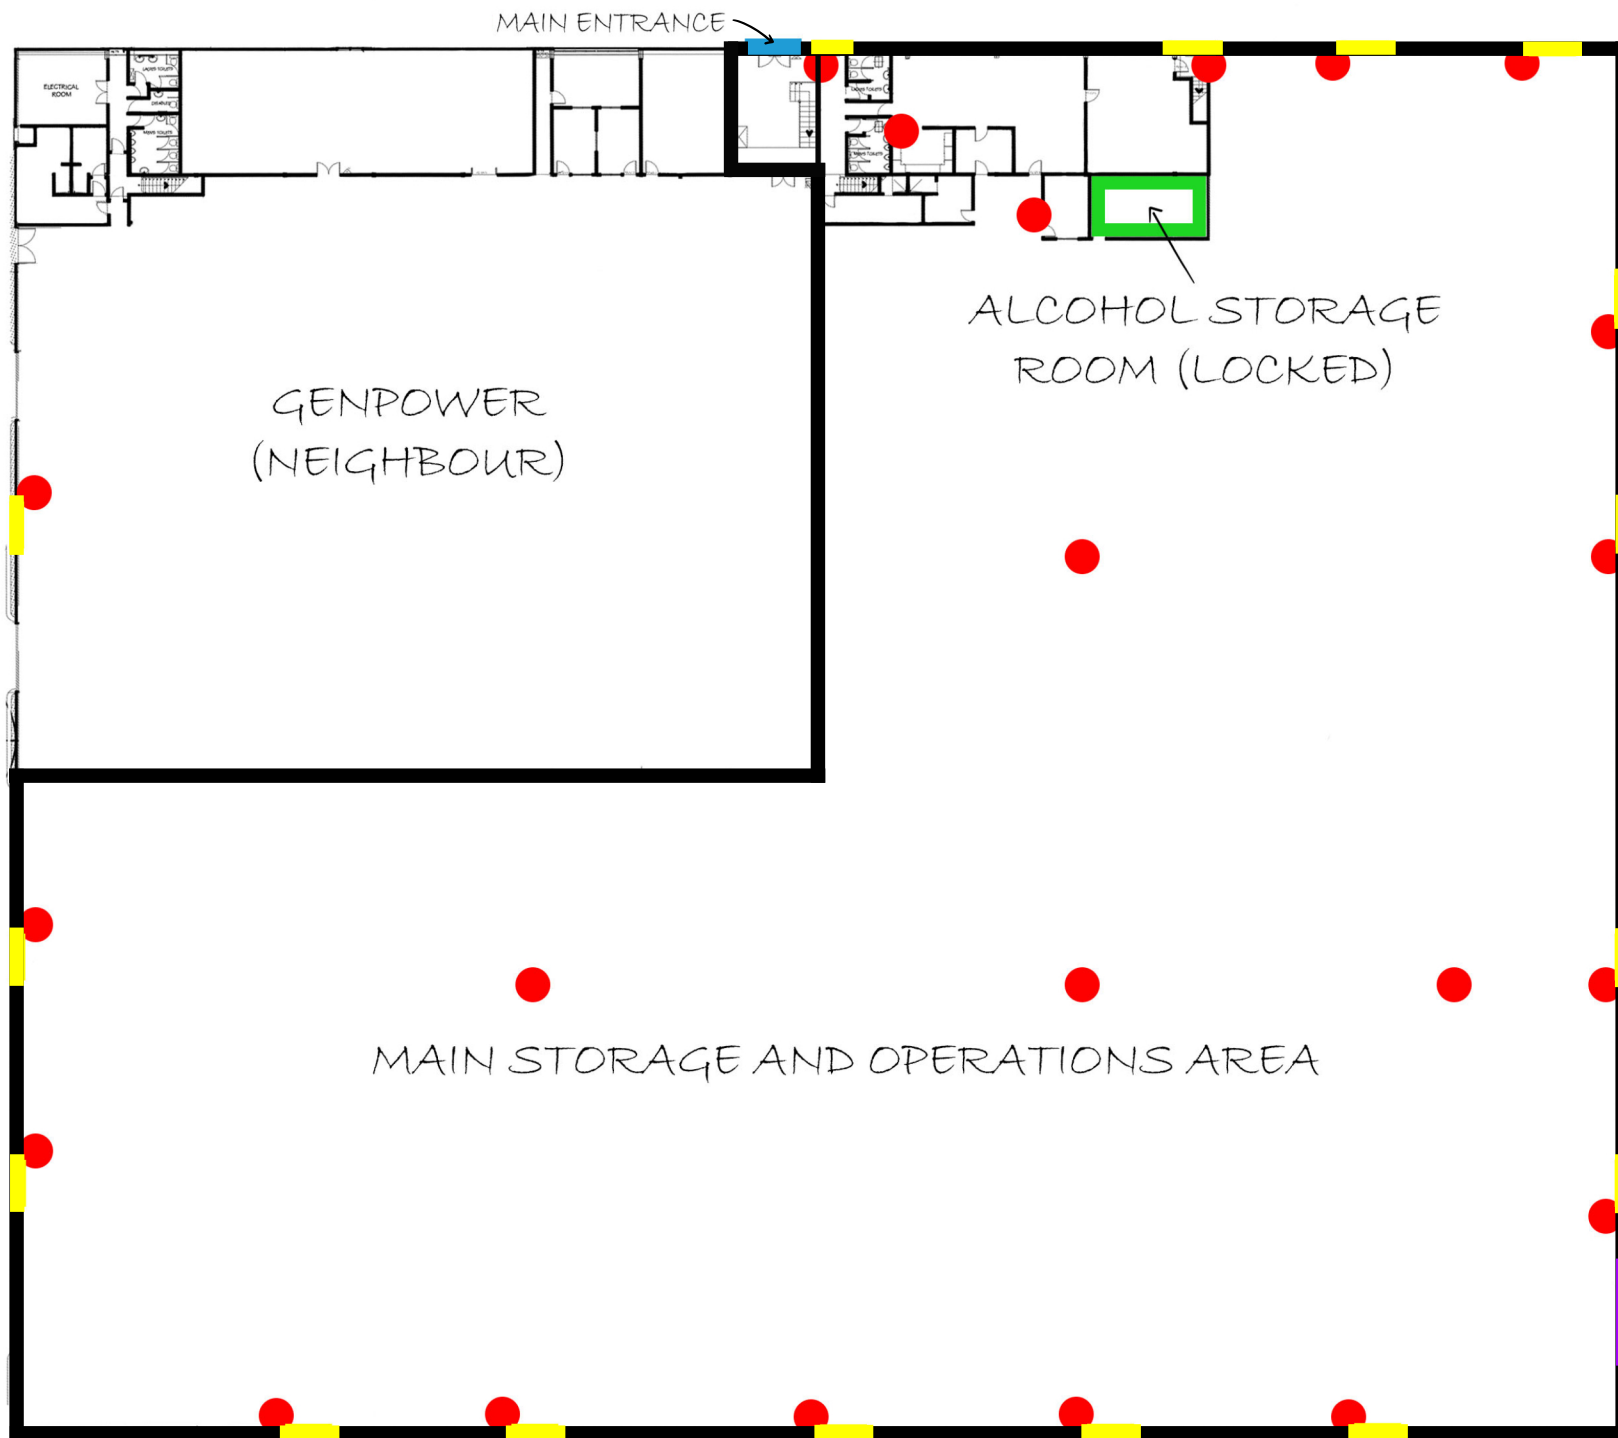

### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
