Describe the steps you intend to take to promote the four licensing objectives:

**a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)**

All emergency services will be made aware of the event, aswell as featuring a 24 hour ambulance on site that will also act as a welfare area too. Marshals and security will be able to patrol perimeters stop anyone trying to get onto the premises without a valid ticket, they will also be present to look out for guests that may be feeling unwell and can guide them to the first aid post.

All bags will be searched on the way onto the premises to look for any glass and also and illegal substance, if this is found the substance will be confiscated and the police notified.

If any guests seem intoxicated by alcohol they will be refused to be served at the bar and will also be advised to visit the first aid post.

As the event is 18+ this eliminates any issues of child safety on the premises however if a child is found trying to enter the premises they will be helped to find a safe way home.

**b) The prevention of crime and disorder**

Westival Ltd will work with Dyfed Powys Police to ensure that the event is crime and disorder free, and to act accordingly as a partnership if anything may happen of this nature.

**c) Public safety**

Every measure will be taken to ensure that the public are attending a safe and secure environment in which the risks have been properly assessed and mitigated to the utmost of our capabilities.

**d) The prevention of public nuisance**

The event will finish promptly at 03:00 am on Friday and Saturday evening, this meaning the music will be cut off and the bar will be closed. As for the Sunday the music will be shut at 22:00, and the bar at 00:00, just so there is not a giant influx of people to the campsite at one time. These times have been selected each evening in order to limit public nuisance to as far as reasonably possible. The Westival Ltd team have worked with the local community and adhere to any limitations that may result due to public concerns. Meetings have been conducted with St.Florence and Jameston/Manorbier communities, with another more detailed meeting that took place start of February to allow public again to raise any concerns they may have, and to try and work with the public to achieve an outcome that the majority are happy with. The 2 stages will be positioned in opposite ways so that all noise would be travelling in one direction. By pointing sound out towards Pembroke dock in the East direction and then out West towards sea to limit disturbance to St.florence and Jameston. More detail can be found on this in Section 9.

**e) The protection of children from harm**

There will be no children present at this event therefore there is no commitment to Child Safeguarding and Protection from Harm. Our policy for vulnerable adults is laid out and will be adhered to without question.

This event is strictly 18+.

All guests will be asked to show valid identification before being able to enter to premises.

If anyone is refused entry due to being under age, marshals or security will be able to organise transport for this person so they can arrive back home in a safe manor

**15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
